Dr. Echols retired from the U.S. Air Force after almost 37 years of Active Duty and Guard/Reserve Service. He served as a flight surgeon with the 150th Fighter Squadron stationed at Kirtland Air Force Base.

“I have been honored over the last 34 years to treat native people from the region, veterans from across the Southwest, families from New Mexico to Idaho and Guardsmen, Reservists, Active Duty members and their dependents across two continents,” said Dr. Echols. “I can’t think of anything more rewarding than offering my diverse experience to the Sandoval County patients and families who will come to know and trust SRMC.”
