49th Annual Carrie Tingley Hospital Winter Conference
Cerebral Palsy
January 25, 2019

Sandia Resort Convention Center
30 Rainbow Rd.
Albuquerque, NM 87113
Friday, January 25, 2019
**Conference Information**

This conference will review diagnosis and treatment of cerebral palsy (CP) in children. This topic is central to the University’s mission to care for the children of New Mexico. Carrie Tingley Hospital provides medical and surgical care for children with CP, including physical and occupational therapy, orthotics, and social and psychological support. The conference will focus on diagnosis of CP and treatment of common problems, as well as monitoring for orthopaedic issues that require consultation. Presented abstracts will discuss results of research efforts at Carrie Tingley Hospital.

**Who Should Attend**

We highly encourage attendance of family practice doctors, orthopaedic surgeons, pediatricians, therapists, orthotists, and other practitioners who evaluate and/or treat children with cerebral palsy. Nurses, nurse practitioners, physical therapists, occupational therapists, caregivers, parents of affected children, and physician assistants will find the course material helpful in improving general knowledge.

**Objectives**

At the conclusion of the course, participants will be able to:

1) Explain the definition cerebral palsy and possible causes.
2) Understand when an orthopaedic assessment is indicated.
3) Understand surgical and nonsurgical treatment of cerebral palsy in children.
4) Understand the need for a multidisciplinary team approach.
5) Understand research advances at Carrie Tingley Hospital and UNM.
