

Rehabilitation Education And Community Health

We offer FREE physical therapy evaluations, treatment, and education.

Individuals will be evaluated by UNM DPT students, overseen by a licensed UNM PT faculty member.

You will receive a PT evaluation with home exercise program recommendations and education.

Possibility of 2-4 follow-up visits, depending on need & availability.

UNM REACH PHYSICAL THERAPY LAB

Orthopaedic Conditions

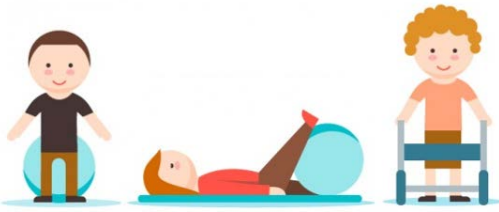

UNM Domenici Northwest
West Entrance, 1st Floor
1001 Stanford Dr, NE, ABQ, NM 87131

Thursday evenings
3:30- 7:30PM

September through April
By Appointment Only

Please call: (505) 750-8307

Our Goal

- To provide high-quality physical therapy services for the underserved populations of New Mexico, aimed at improving function and quality of life, and to empower New Mexicans to take charge of their health
- To offer hands-on learning opportunities for Doctor of Physical Therapy students

Eligibility

Referral required

We are accepting participants who meet **ONE** of the following criteria:

- Uninsured
- Have a Medicaid insurance (Molina, Centennial Care, Salud)
- UNM students
- Have been to PT and have reached the max allowed visits from insurance
- Are currently in PT with a limited number of allowed visits from insurance

Please note that inability to afford copays/ deductibles is not one of our eligibility criteria.

If do not meet our eligibility criteria, we might be able to offer a one-time consultation, depending on our availability.
