

# Rehabilitation Education And Community Health

We offer FREE physical therapy evaluations, treatment, and education.

Patients will be evaluated by UNM DPT students, overseen by a licensed UNM PT faculty member.

You will receive a PT evaluation with home exercise program prescription/ modification and patient education.

Possibility of 2-4 follow-up visits, depending on need & availability.

# UNM REACH PHYSICAL THERAPY

## Orthopaedic Conditions

Thursday evenings  
4:30- 5:15 PM or 5:30- 6:15 PM  
or 6:30-7:15 PM  
**September through December**

Casa de Salud  
1608 Isleta Blvd SW, ABQ, NM 87105

**Please call: (505) 750-8307**

## Our Goal

To provide high-quality physical therapy services for the underserved populations of New Mexico, aimed at improving function and quality of life, and empowering patients to take charge of their health.

To offer hands-on learning opportunities for DPT students

## Eligibility

### Referral required

We are accepting patients who meet **ONE** of the following criteria:

- Uninsured
- Have a Medicaid insurance (Molina, Centennial Care, Salud)
- UNM students
- Have been to PT and have reached the max allowed visits from insurance
- Are currently in PT with a limited number of allowed visits from insurance

*Please note that inability to afford copays/deductibles is not one of our eligibility criteria.*

*If do not meet our eligibility criteria, we might be able to offer a one-time consultation, depending on our availability.*
